
WORKS PROCUREMENT NOTICE

Constructing Bicycle Road on Tiszasziget for KNESZECYC2 project

Location – Tiszasziget, Csongrad county, Hungary

1. Publication reference

KNESZECYC2-WOR-01

2. Procedure

Local Open

3. Programme

Hungary-Serbia IPA Cross-border Co-operation Programme

4. Financing

Budget line

5. Contracting Authority

Municipality of Tiszasziget

6756 Tiszasziget, Szent Antal tér 10, Hungary

CONTRACT SPECIFICATIONS

6 Description of the contract

Construction of the 2nd phase of the bicycle road of Tiszasziget. The construction is of tree sections: from the settlement to the border check point, to the Memorial site (Mélypont) and to the Peplár lake (Peplár-tó)

7 Number and titles of lots

Not applicable, only one lot

TERMS OF PARTICIPATION

8 Eligibility and rules of origin

Participation is open to all legal persons [participating either individually or in a grouping (consortium) of tenderers] which are established in a Member State of the European Union or in a country or territory of the regions covered and/or authorised by the specific instruments applicable to the programme under which the contract is financed (see also heading 22 below).

All works, supplies and services under this contract must originate in one or more of these countries. Participation is also open to international organisations. The participation of natural persons is directly governed by the specific instruments applicable to the programme under which the contract is financed.

9 Grounds for exclusion

Tenderers must submit a signed declaration, included in the Tender Form for a Works Contract, to the effect that they are not in any of the situations listed in point 2.3.3 of the **Practical Guide to contract procedures for EU external actions**.

10 Number of tenders

Tenderers may submit only one tender per lot. Tenders for parts of a lot will not be considered. Any tenderer may state in its tender that it would offer a discount in the event that its tender is accepted for more than one lot. Tenderers may not submit a tender for a variant solution in addition to their tender for the works required in the tender dossier.

11 Tender guarantee

Tenderers must provide a tender guarantee of 6.000.000,- HUF when submitting their tender. This guarantee will be released to unsuccessful tenderers once the tender procedure has been completed and to the successful tenderer(s) upon signature of the contract by all parties.

12 Performance guarantee

The successful tenderer will be asked to provide a performance guarantee of 10 % of the amount of the contract at the signing of the contract. This guarantee must be provided together with the return of the countersigned contract no later than 30 days after the tenderer receives the contract signed by the Contracting Authority. If the selected tenderer fails to provide such a guarantee within this period, the contract will be void and a new contract may be drawn up and sent to the tenderer which has submitted the next cheapest compliant tender.

13. Information meeting and/or site visit

A recommended site visit will be held on **2nd August 2012, 10:00 CET**, venue : 6756 Tiszasziget, Szent Antal tér 10.

Contact details: Ferenc Ferenczi +3630/2755-107

14. Tender validity

Tenders must remain valid for a period of 90 days after the deadline for submission of tenders.

15. Period of implementation of tasks

From contract signature to 1st March 2013
